| <p>Little Pine Cone: Wildfires and the Natural World</p>  | <p>Wagstaffe, Johanna</p> | <p>Told from the perspective of a pine cone whose life cycle depends on wildfire, this book focuses on the role of fires in forest ecology. It is also an age-appropriate introduction to some of the dangers of wildfire and what people can do to prepare for and respond to a fire near them. The book mixes simple narration with more detailed facts, and includes back matter about fires and climate terms.</p> | <p>1459828305</p> | <p>978-1459828308</p> | <p>6-8 years</p> | <p>N/A</p> | <p>2022</p> |
| <p>Spencer the Spark</p>  | <p>Boulos, Rana</p> | <p>What is a wildfire? How does it start and how does it grow? Why is it beneficial? Join Spencer the Spark on his great journey to become a mighty wildfire. Spencer grows into a wildfire when he reaches the pine forest, but it is not all bad! Although Spencer causes great destruction, he also helps create new growth for Polly the Pinecone, the entire pine forest, and the land around it.</p> | <p>1800682166</p> | <p>978-1800682160</p> | <p>4-9 years</p> | <p>N/A</p> | <p>2022</p> |

| <p>Shawn and Flash: Prepare Their Community For Fire Season</p>  | <p>Stutt, Melanie</p> | <p>Shawn couldn't be more excited for his summer holidays to begin. But when wildfires threaten his rural community, it sure puts a damper on the fun.</p> <p>Worried about the future, Shawn sets out to visit his old friend Flash the weasel. Flash and the rest of the weasels show Shawn how they work together to prepare their community and keep it resilient through wildfire season. Shawn is inspired by what he learns—but can he take that knowledge back to his own community, and help to reduce the impacts of this fire season?</p> | <p>1955690499</p> | <p>978-1955690492</p> | <p>7-10 years</p> | <p>N/A</p> | <p>2024</p> |
| <p>The Fox and the Forest Fire</p>  | <p>Popovici, Danny</p> | <p>When a forest fire happens, a young boy must evacuate, leaving behind his new home and the fox he's become friends with. But over time, readers see that the forest will regrow, the animals return, and friendship is something that a forest fire can't destroy. Written by a volunteer</p> | <p>1797202820</p> | <p>978-1797202822</p> | <p>5-8 years</p> | <p>Youtube Link</p> | <p>2021</p> |

|---|----------------|--|------------|----------------|-----------|------------------------------|------|
| | | firefighter, this book is all about resilience, and has a perfect tone for younger readers. | | | | | |
| The Glorious Forest That Fire Built  | Neil, Ginny | A read-aloud book covering “forest succession” after a fire, including a more in-depth timeline in the back matter. Explains forest renewal for younger readers and offers context on the long time scale of a forest’s recovery. | 1681529009 | 978-1681529004 | 6-8 years | Youtube Link | 2023 |
| We Will Live in This Forest Again  | Marino, Gianna | This beautiful and well written story shows a forest fire breaking out, forest animals fleeing, and the eventual return and renewal of life after the fire. Some parts are quite stark and may be upsetting for younger readers, but there is a very strong message of resilience throughout the story, focused on the repeated message: We will live in this forest again. Includes back matter about the 2017 California wildfire season and three wildfire-related Q&A. | 823446999 | 978-0823446995 | 4-8 years | Youtube Link | 2020 |

| | | | | | | | |
|---|-------------------|---|------------|----------------|-----------|------------------------------|------|
| Wildfire!  | Wolff, Ashley | With lots of great repetition, colourful illustrations, the tone in this book makes it a great one to share with young readers. Even better, it also contains a very accurate depiction of how forest fires are fought, and a focus on how life continues after a fire. Includes back matter about the history of wildfire suppression in the United States and wildland firefighting vocabulary. | 1534487735 | 978-1534487734 | 3-8 years | Youtube Link | 2021 |
| Wombat Underground : A Wildfire Survival Story  | Thomson, Sarah L. | A simple, read-aloud friendly story about Australian wildfires and their effects on animals. Wombats dig burrows to live in, and during a fire these burrows can shelter other fleeing animals, too. Contains back matter about the 2019-2020 Australian fire season and fire ecology. | 316707066 | 978-0316707060 | 4-8 years | Youtube Link | 2022 |
